

## TERMS & CONDITIONS 2017

### Parties

The following Terms and Conditions relate to the Isoman Triathlon which is organised by ISOMAN LIMITED.

### Terms

The above named organisation from this point forward will be referred to as 'The Organiser'. All applicants both prospective and successful from this point forward will be referred to as 'The Applicants'.

When the above Organiser starts to organise an event, there is a considerable amount of work, expense and risk involved. Each event takes hundreds of hours of forward planning, thousands of pounds of expense and financial risk.

As with all companies incurring overheads such as marketing, equipment, insurance, and websites, financial planning is an integral part of event management and promotion and as such we endeavour to ensure that we can cover all costs in order to provide a secure footing for all events promoted. The following 'Terms & Conditions' are set in place to ensure that we are able to provide applicants with a safe and enjoyable event.

#### 1: Conditions of Entry

By entering the Isoman Triathlon as detailed on the [www.isomantri.com](http://www.isomantri.com) website, by any of the available entry methods, applicants are agreeing to abide by the following Terms & Conditions.

Applicants are responsible for ensuring that they have taken medical advice, are fit and healthy and have undertaken appropriate training and preparation to participate in the event.

Applicants agree that they participate in the event at their own risk.

Applicants accept that the Organiser is not liable for any personal injury sustained by them in any way or loss or damage to any personal property as a result of participation in the event.

Applicants must abide by any rules or regulations of the event that may be notified to them by the Organiser or the venue owners at any point leading up to or at the event.

Applicants must show respect and courtesy towards other participants, officials and spectators. If applicants behave in any manner which is, in the organisers opinion, poor sportsmanship or a risk to the safety of any other participant, spectators or anyone else in attendance at the event they may be disqualified from the event and removed from the venue.

Applicants agree that they understand the level of ability that is required and what is entailed in participating in the event.

## 2: Confirmation of Entry

Cashing of an applicant's cheque or satisfactory completion of transaction through the online payment system confirms the applicant's place in the event.

## 3: Race Information

All necessary Race Information pertaining to the event is published on [www.isomantri.com](http://www.isomantri.com). It will not be posted to you in hard copy format, however, we will provide email newsletters about the event and inform you when new race information is available. Please note that details of the event as published on the race specific entry form, provisional race information or FAQ's are subject to change. Details of any alterations to the Provisional Race Information will be made available on the web no later than 5 days prior to the event date. It is the responsibility of the applicant to ensure they have accessed the relevant information relating to the event.

Reasonable cut-off times for each discipline will be published prior to the event and applicants must abide by these.

## 4: Completion of Entry Form

If available, when utilising the paper based system, it is vital for applicants to complete the entry form fully and neatly. In the case where applicants do not complete sections properly or fully, a 'default' entry for that section will be allocated as outlined below:

- If applicants do not complete the 'date of birth' section, they will be allocated a 'default' age of 100, and will not be eligible for prizes.

Whilst the Organiser will endeavour to solve any problems that arise through incorrectly completed entry forms, if it is not possible to read any section of the entry form, the form may be returned to the applicant, with a request for it to be completed again without the securing of a confirmed place in the event.

If any details provided by the applicant on their registration form change they must notify the organiser immediately by emailing or writing to Isoman Limited, ELK House, Brockhill Lane, Redditch, Worcestershire, B97 6QX.

The organiser reserves the right to cancel the applicant's participation in the event if any information provided is found to be inaccurate in any way. In this case the applicant will be refunded their entry fee minus 20% administration costs.

#### 5: Competitor Withdrawal

If for any reason the applicant who has already successfully entered an event find themselves unable to race and wishes to withdraw from the event, the applicant must inform 'The Organiser' in writing. This should be done initially via e-mail to [info@isomantri.com](mailto:info@isomantri.com). Please note athletes can NOT withdraw via social media.

#### 6: Attempted Swapping of entries

Please note that the swapping of entries between applicants is strictly forbidden as it invalidates insurances undertaken by the Organiser to cover the event. The consequences of attempting such an undertaking by any applicant is so serious in jeopardising the continuation of events that any applicant found to have passed their entry to another applicant and any applicant found to have taken up that entry will both be banned for life from all future events organised by the Organiser.

Up until 5 weeks prior to the event applicants are permitted to switch their type of entry e.g. from an individual to a relay. This should be done in writing to Isoman Limited, ELK House, Brockhill Lane, Redditch, Worcestershire, B97 6QX, or via email to [info@isomantri.com](mailto:info@isomantri.com). There may be a processing fee for using this service.

#### 7: Transfer of Entry and Deferral

Under no circumstances are applicants able to transfer their entry to either another event, to another individual or defer their entry to the following season. Applicants are instead, requested to follow the guidelines as outlined in Section 5 Competitor Withdrawal.

#### 8: Registration

Details of race registration times relating to the event will be posted in the 'Final' race information document. All applicants are required to attend registration & the race briefing within the times specified. Applicants who do not attend registration within these times will not be allowed to race, and will lose their right to a place in the event. It is the responsibility of the applicant to ensure they have accessed the relevant information relating to registration at the event.

Relay teams can be registered by just one team member, but they must have all three sets of team member photo identifications with them and must rack their bikes according to the same timescales set out for individual applicants. Failure to supply all three IDs will result in the team not being able to register.

#### 9: Photography

The Organisers maintain the right to use images and photographs taken by their contracted photographers and employees at the event without informing the applicant. These images can be used for promotional purposes as undertaken by the Organisers and their partners, which will cover a range of possible uses including advertising, press and media, printed information items, editorial coverage and any other promotion directly related to the Organisers or their sponsors.

#### 10: Prizes

Prizes at each event will be awarded in age categories as outlined in the Final race information document, where possible applicants who are awarded a prize should attend the presentation in order to receive it.

#### 11: Late Entries

If there are still places available after the closing date, applicants must include an additional fee to cover additional administration work as outlined on the entry form. If applicants do not include the late entry fee, then the application will be returned.

#### 12: Event Changes

The above named Organiser has the right to change any event for the reason of safety without prior notice.

Arrangements for the event, including the venue, date and programme may be subject to change. Any changes will be notified to applicants by email prior to the date of the event.

#### 13: Event Cancellation

If for reasons beyond the control of the Organiser, including an 'act of God' due to unforeseen, naturally occurring events that were unavoidable, the event which applicants have entered is cancelled or postponed, no refund will be offered to applicants. Alternatively if an event is cancelled by the Organiser for any other reason, the Organisers will offer a full refund.

#### 14: Right of refusal for entry

The Organisers maintain the right to refuse or revoke entry to any applicant, where they believe that accepting the entry could prejudice the event, the promoting organisation, their sponsors, associates or staff. This right of refusal extends to include applications where acceptance is considered by the Organisers to be likely to infringe upon the enjoyment of any persons connected with the event, including staff, marshals, volunteers & other competitors.

The minimum age range for participation is 18.

Applicants are responsible for reading the details and description of the event on [www.isomantri.com](http://www.isomantri.com) and any other information that may be sent to them by the Organiser.
